All specifications in this document are taken from the published product listings on chinausedtrucks.com. Stock changes so confirm availability of a specific unit by email before planning freight.

Contents

Category	Units	Positioning
Discount Spot Trucks	11	Built units standing in stock offered below normal price including trucks that have never been put into service.
HOWO Spare Parts	6	Engines cylinder blocks crankshaft assemblies and driveline parts from our own SINOTRUK HOWO parts warehouse.
New Energy Vehicles	10	BYD battery electric and plug in hybrid cars listed with manufacturer published range battery and charging figures.
Used Cargo Trucks	1	HOWO flatbed and cargo body trucks for general freight on mixed road conditions.
Used Construction Machinery	4	Truck cranes wheel loaders and hydraulic excavators including retired fleet units.
Used Dump Trucks	7	Tri axle and four axle HOWO SITRAK and Shacman tippers for sand gravel ore and demolition spoil.
Used Mixer Trucks	1	HOWO concrete mixer trucks for ready mix delivery from plant to pour.
Used Tractor Trucks	5	HOWO SITRAK and HUANGHE tractor units for long distance trailer haulage.

Discount Spot Trucks

Built units standing in stock offered below normal price including trucks that have never been put into service.

A number of discount spot truck Shacman mixer trucks price for sale

Unused Shacman mixer chassis from spot stock ready for immediate loading

A batch of brand new Shacman mixer trucks held in stock and available for immediate sale. The chassis runs a Weichai WP8.340E51 engine built to the Euro V emission standard with a 10JSD120T aluminium shell gearbox an M3000S cab and a 300 litre aluminium fuel tank.

Engine Model	WP8.340E51
Gearbox	10JSD120T
Cab	M3000S
Tyres	11.00R20

Used Cargo Trucks

HOWO flatbed and cargo body trucks for general freight on mixed road conditions.

HOWO 8x4 12 Wheel Used Cargo Truck

HOWO 8x4 12 wheel cargo truck from 351 to 450 horsepower

The HOWO 8x4 twelve wheel used cargo truck is equipped with a powerful power system with engine power ranging from 351 to 450 horsepower. High torque output lets it meet heavy transport demands while keeping good fuel economy and the 8x4 drive form with a twelve wheel layout significantly increases carrying capacity.

Drive Form	8x4
Engine Power	450 HP
Gearbox	HW19710
Rear Axle	HC16
Cargo Box Size	8200x2300x1500
Cab	HW76
Tyres	12.00R20
Wheels	12 Wheel

Used Construction Machinery

Truck cranes wheel loaders and hydraulic excavators including retired fleet units.

Several DOOSAN used hydraulic excavators sold at low prices

DOOSAN used hydraulic excavators with mature hydraulic systems at low prices

Several DOOSAN used hydraulic excavators offered at low prices. DOOSAN excavators are known for efficiency and reliability with a mature hydraulic system design that provides accurate power output and fuel economy across a variety of working conditions. The cab is designed around the operator with a wide field of view and easy operation so comfort holds up over a long shift.

Used Dump Trucks

Tri axle and four axle HOWO SITRAK and Shacman tippers for sand gravel ore and demolition spoil.

HOWO 6x4 10 Wheel 371HP Used Dump Truck

HOWO 6x4 10 wheel 371HP tipper with 1350 newton metres of torque

The HOWO 6x4 10 wheel 371HP used dump truck uses a tri axle drive configuration with ten tyres for traction and stability on unpaved surfaces such as mines and construction sites. The Weichai WD615 series 371 horsepower engine delivers a maximum torque of 1350 newton metres with turbocharging and intercooling so power holds up on heavy load climbs and at road speed. An HW19710 10 speed gearbox gives smooth and finely divided ratios and the 5600 by 2300 by 1500 millimetre cargo box holds around 19.32 cubic metres.

Drive	Wheel 6*4
Engine	WD615;371HP Maximum torque 1350N.m
Gearbox	HW19710
Cargo Box	size 5600x2300x1500mm Effective volume 19.32m ³
Rear Axle	HC16 Rated load capacity 10-18T Carrying capacity 30-40T
Frame	Double layers beam(8+8/300)
Tyre	12.00R20
Steering	Boshi steering

HOWO 371HP 10 Wheel 6x4 Used Dump Trucks For sale

HOWO 371HP 10 wheel 6x4 tipper with a 9.7 litre in line six engine

A classic Sinotruk engineering model designed for heavy load transport on complex road conditions. It runs a 371 horsepower Weichai or Sinotruk Steyr technology engine using in line six cylinder water cooled turbocharged intercooled direct injection technology at approximately 9.7 litres displacement which gives strong power output alongside good fuel economy.

Drive Form	6x4
Engine Power	371 HP
Gearbox	HW76
Rear Axle	HC16
Cab	HW76
Emission Standard	Euro II
Tyres	12.00R20
Wheels	10 Wheel

Used Truck China HOWO 371/375HP 6x4 And 8x4 10/12 Wheel Used Dump Truck

HOWO 371 and 375HP tippers in 6x4 and 8x4 with bodies to 35 cubic metres

Used HOWO dump trucks with 371 or 375 horsepower engines developed by Weichai or Sinotruk using in line six cylinder water cooled turbocharged intercooled direct injection technology at approximately 9.7 litres. Emission standards cover Euro II to Euro III. Drive forms are 6x4 or 8x4 with 10 or 12 wheels rear axle rating reaches 16 tons on the 6x4 or higher on the 8x4 and total mass ranges from 25 to 60 tons. Cargo box volume runs from 19.3 to 35 cubic metres in high strength steel plate with a floor up to 10 millimetres and sides of 8 millimetres. The HW76 long cab is fitted with air conditioning and adjustable seats.

Cab	HW06
Drive	6*4/8*4
Horsepower	371/375 horsepower

Used Tractor Trucks

HOWO SITRAK and HUANGHE tractor units for long distance trailer haulage.

Sinotruk Used Tractor Truck HOWO 6 Wheel Tractor Truck

HOWO 6 wheel tractor unit for medium distance and lighter trailer work

A classic Sinotruk engineering model combining a reliable power system a comfortable driving environment and relatively high cost performance. It is suited to medium and short distance transport and light load scenarios and is usually equipped with diesel engines developed by Weichai or Sinotruk which give stable power output.

Drive Form	4x2
Wheels	6 Wheel

chinausedtrucks.com/products/sinotruk-used-tractor-truck.html

China Used Truck HUANGHE Used Tractor Truck 10 Wheel

HUANGHE 10 wheel tractor with a 0.37 drag coefficient and over ten percent fuel saving

A used HUANGHE tractor truck whose development team achieved a vehicle drag coefficient of 0.37 through aerodynamic design and powertrain optimisation which is 30 percent lower than mainstream products in the industry. Against comparable competing products it achieves a fuel saving of more than 10 percent which directly reduces operating cost.

Drive Form	6x4
Wheels	10 Wheel

chinausedtrucks.com/products/huanghe-used-tractor-truck.html

SITRAK Used Tractor Truck 6/10 Wheel

SITRAK tractor in 6 or 10 wheel form with a B10 engine life of 1.5 million kilometres

A joint venture brand truck launched by Sinotruk and MAN of Germany combining MAN TG series technology with localised Chinese engineering. It is designed to be sturdy and durable and to withstand varied harsh road and climatic conditions. The engine has a B10 life of up to 1.5 million kilometres and the transmission and axle are designed to match.

Model	ZZ4186V361HF1B
Cab	C7-C
Drive	4x2/6x4
Horsepower	540 horsepower
Transmission	Manual transmission
Engine	Man engine
Front Axle	VPD71DS
