How to Order

- Send the number printed on the original unit plus a photograph of the connector face.
- Confirm the system voltage, 12V or 24V, and the truck brand and model.
- We confirm fitment against each number and quote the whole list as one order.
- Samples are free of charge with freight at your cost, so you can test before volume.
- Choose neutral packing, your own branded box with barcode, or the CHINO box.
- Every part is leakage tested before delivery and covered for 12 months from B/L date.
