ZJ 58A Specification

Price	FOB NINGBO __, ROHS Standard __. Remoter controller extra cost: __
Unit box packing	53*18.5*55 cm, g.w:6.5kg, n.w:5.5kg
Model	ZJ-58A
Voltage/Frequency	AC220V / 110V 50/ 60HZ
Rated Input Power	850W
Length of Supply Cord	1.8m
Safety Device	Leakage Protector (Operating Current= 15mA)
Water Input Mean	By Tap Water
Applicable Water Pressure	0.05-0.75MPa
Ambient Temperature	0 C-40 C
Dimension	510*485*145mm
Weight	4.3kg
Color	White Basic
Washing Spray	Water Tank Capacity 1.0 L, Water Flow Rate 0.8L/min, Heater Power 500W, Temperature 20 C~ 42 C, Water Spray Warm Water, I, II, III switch, Safety Device Leakage Protector, Overheat Protection, Anti-dry Protection
Warm Air Dry	Air Capacity 0.6m3/min, Max. Power 350W, Air Temperature Adjustable I-VI switch, Safety Device Two Temperature Fuses
Seat Warming	Seat Heater Power 50W, Surface Temperature Room Temperature to 40 C
Open-Close Device	Soft Close Se

Model List

Model	Series	Type
ZJ 68A	Electric Bidet	All in one
ZJ 58A	Electric Bidet	Electric bidet
ZJ 28A	Electric Bidet	Electric bidet
F17	Manual Bidet	—
ZJ 988	Manual Bidet	Simple bidet
ZJ 788	Manual Bidet	Simple bidet
NEW CM9001	Manual Bidet	New Bidet

Electric products: voltage, frequency, rated input power, supply cord length and safety device are confirmed per model against the destination market before sampling. Electrical documentation is sent on request.

Commercial Terms

Manufacturer	NINGBO CM INDUSTRY LTD
Also trading as	NINGBO CM IMP. & EXP. CO.,LTD.
Manufacturing since	1993
Quality system	ISO 9002S quality control system
Standards on our specification sheets	CE and WARS
Brand and trademark	CM
Place of origin	Cixi, Zhejiang province of China
HS code	392490000
Minimum order quantity	1,000 pcs
Production capacity	100,000 pcs per month
Supply ability	40,000 pcs per week
Delivery time	Within 40 days after order confirmation
Inner packing	Bubble bag, blister bag or colour box
Outer packing	Paper box and export carton
