

DATASHEET

Steering Wheel Datasheet

Ten steering wheel models with the application car make, material, default packing and sample position exactly as recorded in the factory's specification data.

10 models

Own injection machines

Own molding centre

Tooling changes quoted on drawing

Model Table

Model	Application car make	Material	Default packing	Sample
CM2706	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM3007	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM3008	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM3201	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM3202	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM3205	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM3209	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM35010	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM3604	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.
CM41003	Universal	Geniune Leather	1 layer Pearl Plastic Foam +Color retail carton	Available at buyer's cost and stock.

CM2706

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton

Sample	Available at buyer's cost and stock.
--------	--------------------------------------

CM3007

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.

CM3008

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.

CM3201

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.

CM3202

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.

CM3205

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.

CM3209

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.

CM35010

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.

CM3604

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.

CM41003

Application Car make	Universal
Material	Geniune Leather
Default Packing	1 layer Pearl Plastic Foam +Color retail carton
Sample	Available at buyer's cost and stock.
