

CR-3 is the smart electric kitchen composter in the Creeks household range: a 4-litre bucket, a soft-touch glass hinged lid, and a cycle that turns food scraps into a dry, nutrient-bearing material in as little as 3 hours. Sensors track moisture and temperature through the run while the airflow system supplies oxygen, and a proprietary dual-filter design neutralises odours so the unit can live on an open counter. It eliminates odours, reduces waste volume by 80%, and keeps pests away from the bin.

Technical data

Product Name	CR-3 Electric Composter
Capacity	4 Litres
Color	White and Sage
Voltage	100V/110V/120V/220-240V
Frequency	50-60Hz
Power	500W
Function Mode	Quick · Ferment · Carbon Filter Reminder · Clean
Activated Carbon	400g
Lid	Easy-to-use glass-hinged lid
Noise Level	<45 dB
Dimension	284mm (L) x 278mm (W) x 300mm (H)
Net Weight	7.25 KG
Loading Quantity	20GP: 612 units 40GP: 1,272 units 40HQ: 1,272 units
