

Pack Format and Carton Reference

Tin and jar formats with carton counts for every line, so a loading plan can be built without going back to each product page.

Manufacturer	Henan Ever Glory Food Industry Co., Ltd.
Established	2008
Location	Xiayi County, Shangqiu City, Henan Province, P.R. China
Annual capacity	25000 tons
Building area	40000 square metres

Export markets	United States, Canada, Russia, South Korea, Japan, Germany
Minimum order	Prices are quoted on a 1 x 20'FCL basis; LCL consolidation is available to help buyers reduce inventory.
Contact	info@evergloryfoods.com

How to read this sheet

Carton count is fixed per format, so a 24 tins per carton line and a 6 tins per carton line behave differently in a loading plan even when the tin weights look similar. Retail formats are the smaller tins and jars; catering formats are the large tins and the 1062ML and 1700ML jars. Lines whose pack format is confirmed per order are marked as such.

Product	Tin packs	Jar packs
Canned King Oyster Mushrooms	2840G x 6 tins/ctn; 800G x 24 tins/ctn; 400G x 24 tins/ctn; 284G x 24 tins/ctn; 198G x 24 tins/ctn; 184G x 24 tins/ctn	314ML x 12 jars/ctn; 330ML x 12 jars/ctn (oval jar); 550ML x 12 jars/ctn (oval jar); 580ML x 12 jars/ctn; 720ML x 12 jars/ctn; 1700ML x 6 jars/ctn
