Pneumatic And Battery Guns Specification Sheet

Air-driven 9, 15 and 18 inch guns and 16 V and 21 V lithium battery guns up to 6500 N thrust

Powered dispensing for crews whose output is limited by hand fatigue rather than by skill. Three pneumatic models run off a shop air line with an adjustable valve; four battery models run off 16 V or 21 V lithium packs with cruise control, so the operator holds a bead without holding the trigger.

JS8615-400ML Battery gun (Double tube sewing glue gun set series)

A dual-tube battery gun for two-component tile grout, supplied as a complete jointing set. 800 KG thrust at 21 V with six gear settings, cruise control, intelligent limit, battery display and an LED work light, at 2.18 kg. The 185 mm stroke suits the shorter dual cartridge, and the kit includes the hand tools for finishing the joint.

Specification	Value
Net Weight	2.18kg
Packing	Plastic box
Color	red, or customized
Battery	Lithium battery
Thrust	800KG
Voltage	21V
Charging Time	30mins
Accessories	shovel, diamond-shaped gap tool, seam cleaning cone, seam pressing ball set, seam wax hook knife
Power Supply	DC
Operation	handheld:handheld
Gear Adjustment	Sixth gear
Maximum Stroke	185mm
Constant Cruising	YES
Intelligent Limit	YES
Battery Display	YES
LED Lighting	YES
Colour options	red, or customized
Packing	Plastic box
Minimum order	5 00pcs customised

JS8615-600ML Battery gun (Double tube sewing glue gun)

The long-stroke dual-tube battery gun: 225 mm stroke for the 600 ml two-component cartridge, 800 KG thrust at 21 V, six gear settings, cruise control, intelligent limit, battery display and LED lighting, at 2.18 kg. Supplied with two 1500 mAh batteries, a charger, spare parts and a nozzle.

Specification	Value
Net Weight	2.18kg
Packing	Plastic box
Color	red, or customized
Battery	Lithium battery
Thrust	800KG
Voltage	21V
Charging Time	30mins
Accessories	2*batteries(1500mAh)/ 1*charger/ 1* spare parts/ 1*nozzle
Power Supply	DC
Operation	handheld:handheld
Gear Adjustment	Sixth gear
Maximum Stroke	225mm
Constant Cruising	YES
Intelligent Limit	YES
Battery Display	YES
LED Lighting	YES
Colour options	red, or customized
Packing	Plastic box
Minimum order	5 00pcs customised

JS8625-A 9-inch pneumatic caulking gun (for 300ml silicone bottles)

A 9 inch pneumatic gun for 300 ml silicone bottles at 500 g, with a 350 KG frame tolerance. Push force and drive ratio are set on the gun's own regulating valve rather than fixed, so one tool covers products of different viscosity. It runs off a shop air hose, which removes trigger effort from the job entirely.

Specification	Value
Net Weight	500g
Packing	1PCS/inner box, 20pcs/ CTN
Color	Frosted Purple, or customized
Carton Size	52*55*45
Push Force	According to the regulating valve change
Maximum Tolerance	350KG
Drive Ratio	According to the regulating valve change
Colour options	Frosted Purple, or customized
Packing	1PCS/inner box, 20pcs/ CTN
Minimum order	1000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8625-9-inch-pneumatic-caulking-gun-300ml-silicone.html>

JS8625-B 15-inch pneumatic silicone gun

The 15 inch pneumatic gun at 600 g, with a 350 KG frame tolerance and the same adjustable regulating valve as the rest of the pneumatic range. The extra barrel length takes larger packs while keeping the frame rating and the valve behaviour of the 9 inch model.

Specification	Value
Net Weight	600g
Packing	1PCS/inner box, 12pcs/ CTN
Color	Frosted Purple, or customized
Carton Size	52*55*45
Push Force	According to the regulating valve change
Maximum Tolerance	350KG
Drive Ratio	According to the regulating valve change
Colour options	Frosted Purple, or customized
Packing	1PCS/inner box, 12pcs/ CTN
Minimum order	1000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8625-b-15-inch-pneumatic-silicone-gun.html>

JS8625-C 18-inch pneumatic silicone gun

The largest pneumatic gun in the range: 18 inch, 750 g, with a 400 KG frame tolerance, the highest of the three. The adjustable valve sets dispensing ratio and speed, and the ergonomic body is built to reduce operator fatigue through prolonged use, which at this barrel length is the design constraint.

Specification	Value
Net Weight	750g
Packing	1PCS/inner box, 12pcs/ CTN
Color	Frosted Purple, or customized
Carton Size	52*55*45
Push Force	According to the regulating valve change
Maximum Tolerance	400KG
Drive Ratio	According to the regulating valve change
Colour options	Frosted Purple, or customized
Packing	1PCS/inner box, 12pcs/ CTN
Minimum order	1000pcs customised

JS862X-1500mA Battery gun with cruise control and adjustment function (Cartridges & sausages can both be used)

A 16 V cordless gun at 1400 g delivering 4000 N thrust, with cruise control and output adjustment, and it takes both cartridges and sausages. Two 1500 mAh batteries, a charger, spare parts and a nozzle are supplied, and a pack charges in 30 minutes.

Specification	Value
Net Weight	1400g
Packing	5PCS/CTN
Color	red, or customized
Battery	1500mA
Thrust	4000N
Voltage	16V
Charging Time	30mins
Accessories	2*batteries(1500mAh)/ 1*charger/ 1* spare parts/ 1*nozzle
Colour options	red, or customized
Packing	5PCS/CTN
Minimum order	1000pcs customised

Full details: <https://www.jinshenghardware.net/products/js862x-1500ma-battery-gun-cruise-control-adjustment-function.html>

JS862X-3000mA Battery gun with cruise control and adjustment function (Cartridges & sausages can both be used)

The higher-output cordless model: 21 V, 3000 mAh, 6500 N thrust at 1900 g, with cruise control and output adjustment, taking both cartridges and sausages. The accessory kit is substantially larger than the 1500 mAh version, adding multiple nozzle models, several rubber scraper types and a jointing tool.

Specification	Value
Net Weight	1900g
Packing	5PCS/CTN
Color	orange, or customized
Battery	3000mA
Thrust	6500N
Voltage	21V
Charging Time	45mins
Accessories	2*batteries(3000mAh) / 1*charger/ 1* spare parts/ Multiple models of nozzles/ Multiple types of rubber scrapers/ 1* jointing tool
Colour options	orange, or customized
Packing	5PCS/CTN
Minimum order	1000pcs customised
