Vacuum Glass Suction Cups Specification Sheet

Single, dual, three and four-claw vacuum lifters rated from 30 KG to 250 KG vertical suction

Fourteen lifters for moving glass, tile and other smooth panels by hand. Ratings are published as two separate figures, horizontal and vertical suction, because they are not the same number: JS8641 is 50 KG horizontal and 30 KG vertical, while JS8643-2 is 235 KG and 250 KG. Bodies are die-cast or pressed aluminium alloy, or steel on the heavy-duty articulating models.

JS8640 Thick Plastic Glass Suction Cup Vacuum Suction Cup

The entry lifter: a thick plastic single cup at 320 g, rated 40 KG horizontal and 30 KG vertical suction. It is the lightest and cheapest cup in the range, built around a premium rubber pad and a press-and-release anti-slip handle rather than around a metal body.

Specification	Value
Net Weight	320g
Horizontal Suction	40KG
Vertical Suction	30KG
Packing	1PC/ inner box, 30pcs/ CTN
Color	yellow, or customized
Carton Size	65*39*25
Application	Widely applicable across various industries, providing efficient solutions for diverse scenarios
Colour options	yellow, or customized
Packing	1PC/ inner box, 30pcs/ CTN
Minimum order	2000pcs customised

JS8641 Aluminum alloy suction cup single glass vacuum suction cup

The aluminium single cup: 425 g, rated 50 KG horizontal and 30 KG vertical suction. Moving from plastic to aluminium alloy adds 105 g and 10 KG of horizontal capacity, and gives a body that survives being dropped on a workshop floor.

Specification	Value
Net Weight	425g
Horizontal Suction	50KG
Vertical Suction	30KG
Packing	1PC/ inner box, 30pcs/ CTN
Color	yellow, silvery, golden or customized
Carton Size	65*39*25
Colour options	yellow, silvery, golden or customized
Packing	1PC/ inner box, 30pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8641-aluminum-alloy-suction-cup-single-glass-vacuum.html>

JS8641(Silver) – Silver Aluminum Alloy Single Glass Suction Cup

The silver-finish single aluminium cup: 425 g, 50 KG horizontal and 30 KG vertical suction, mechanically identical to the standard JS8641 and offered specifically for buyers whose range is built around a silver or chrome look.

Specification	Value
Net Weight	425g
Horizontal Suction	50KG
Vertical Suction	30KG
Packing	1PC/ inner box, 30pcs/ CTN
Color	yellow, silvery, golden or customized
Carton Size	65*39*25
Colour options	yellow, silvery, golden or customized
Packing	1PC/ inner box, 30pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8641-silver-aluminum-alloy-single-glass-suction-cup.html>

JS8642 (Silver) -Silver Double Suction Cup

The silver-finish dual claw: 750 g, 90 KG horizontal and 70 KG vertical suction, mechanically identical to the standard JS8642. Die-cast aluminium alloy casing, thickened aluminium main body, reinforced plastic press button and thickened nitrile pads, with an ergonomic widened anti-slip handle.

Specification	Value
Net Weight	750g
Horizontal Suction	90KG
Vertical Suction	70KG
Packing	1PC/ inner box, 20pcs/ CTN
Color	yellow, golden, silver, or customized
Carton Size	52*34*42
Colour options	yellow, golden, silver, or customized
Packing	1PC/ inner box, 20pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8642-silver-double-suction-cup.html>

JS8642 Dual-Claw Vacuum Glass Suction Cup

The volume dual-claw lifter: 750 g, 90 KG horizontal and 70 KG vertical suction, in a thickened aluminium alloy body formed by integral die-casting. Reinforced plastic press button, thickened nitrile rubber pads, an enlarged cup with deeper grooves, and a metal baking-paint finish for wear resistance.

Specification	Value
Net Weight	750g
Horizontal Suction	90KG
Vertical Suction	70KG
Packing	1PC/ inner box, 20pcs/ CTN
Color	yellow, golden, silver, or customized
Carton Size	52*34*42
Colour options	yellow, golden, silver, or customized
Packing	1PC/ inner box, 20pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8642-dual-claw-vacuum-glass-suction-cup.html>

JS8642-1 Export Version Heavy duty Dual-Claw Vacuum Glass Suction Cup

The export version of the dual claw, rated 100 KG level suction and 120 KG vertical, in black. It is one of the models where the vertical figure is higher than the horizontal, which is a reminder that the two numbers are measured separately and should not be assumed from each other.

Specification	Value
Net Weight	/g
Horizontal Suction	100kg
Vertical Suction	120kg
Packing	1PC/ inner box, 20pcs/ CTN
Color	black, or customized
Carton Size	52*34*42
Colour options	black, or customized
Packing	1PC/ inner box, 20pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8642-1-export-version-heavy-duty-dual-claw.html>

JS8642-2 Heavy duty double 2 claw aluminium sucker for glass lifter

A heavy-duty double-claw aluminium sucker at 795 g, rated 130 KG level suction and 110 KG vertical, finished in black. It sits at the upper end of the standard dual-claw bodies, above the 90 KG JS8642 and below the articulating and extra-heavy models.

Specification	Value
Net Weight	795g
Horizontal Suction	130kg
Vertical Suction	110kg
Packing	1PC/ inner box, 20pcs/ CTN
Color	black or customized
Carton Size	52*34*42 Product Function Introduction:
Colour options	black or customized
Packing	1PC/ inner box, 20pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8642-2-heavy-duty-double-claw-aluminium-sucker.html>

JS8642-2 Vacuum Dual Claw Suction Cup with Articulator

The articulating dual claw: an all-directional aluminium alloy knob lets the cup and handle pivot without restriction, so the lifter grips curved panels and works at angles a fixed cup cannot. 120 KG level suction and 140 KG vertical, with an upgraded pressure pad that prevents screw penetration for a traceless operation.

Specification	Value
Net Weight	/g
Horizontal Suction	120kg
Vertical Suction	140kg
Packing	1PC/ inner box, 10pcs/ CTN
Color	yellow, or customized
Carton Size	40*80*62
Colour options	yellow, or customized
Packing	1PC/ inner box, 10pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8642-2-vacuum-dual-claw-suction-cup-articulator.html>

JS8642-4 Extra Heavy Vacuum Glass Suction Cup

An articulating dual claw with a forged steel body: 1000 g, 140 KG horizontal and 120 KG vertical suction. Its stated lifespan is more than three times that of a regular suction cup, and the specification explains why: steel construction, mirror-finish stainless wear pads, and a handle with double the lifespan of the previous design.

Specification	Value
Net Weight	1000g
Horizontal Suction	140KG
Vertical Suction	120KG
Packing	1PC/ inner box, 10pcs/ CTN
Color	yellow, or customized
Carton Size	40*80*62
Colour options	yellow, or customized
Packing	1PC/ inner box, 10pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8642-4-extra-heavy-vacuum-glass-suction-cup.html>

JS8642-5 Super Heavy Double Claws Vacuum Glass Suction Cup

The highest-rated dual claw in the range: 1000 g, 180 KG horizontal and 150 KG vertical suction, finished orange. It is the model to specify when a customer needs three-claw capacity but the panel geometry only allows two points of contact.

Specification	Value
Net Weight	1000g
Horizontal Suction	180KG
Vertical Suction	150KG
Packing	1PC/ inner box, 20pcs/ CTN
Color	orange, or customized
Carton Size	40*80*62
Colour options	orange, or customized
Packing	1PC/ inner box, 20pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8642-5-super-heavy-double-claws-vacuum-glass.html>

JS8643 three-claw vacuum suction cup

The base three-claw lifter: 1050 g, 115 KG horizontal and 100 KG vertical suction, in precision-pressed aluminium alloy with a triangular disc support. The 7 mm thickened nitrile pad and the engineering ABS latch are the two components that decide how a three claw behaves in service.

Specification	Value
Horizontal Suction	115KG
Vertical Suction	100KG
Packing	1PC/ inner box, 10pcs/ CTN
Color	yellow, golden, silver, black, or customized
Carton Size	46.5*35*49.5
Colour options	yellow, golden, silver, black, or customized
Packing	1PC/ inner box, 10pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8643-three-claw-vacuum-suction-cup.html>

JS8643-1 Three-Claw Vacuum Suction Cup (Export Model)

The export version of the three claw, rated 145 KG level suction and 155 KG vertical, in yellow. It shares the JS8643's construction throughout, with an exterior designed to meet international market requirements, and it is another model where the vertical figure exceeds the horizontal.

Specification	Value
Net Weight	/g
Horizontal Suction	145kg
Vertical Suction	155kg
Packing	1PC/ inner box, 10pcs/ CTN
Color	yellow, or customized
Carton Size	35*45*49
Colour options	yellow, or customized
Packing	1PC/ inner box, 10pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8643-1-three-claw-vacuum-suction-cup-export.html>

JS8643-2 PowerMax Ultra-Heavy Duty Vacuum Suction Cup

The heaviest lifter in the catalogue: 235 KG level suction and 250 KG vertical, built on an oversized disc diameter. Everything else follows the three-claw family specification, and the oversized discs are what take it from 145 KG to 235 KG without adding a fourth claw.

Specification	Value
Net Weight	/g
Horizontal Suction	235kg
Vertical Suction	250kg
Packing	1PC/ inner box, 10pcs/ CTN
Color	orange, or customized
Carton Size	35*45*49
Colour options	orange, or customized
Packing	1PC/ inner box, 10pcs/ CTN
Minimum order	2000pcs customised

Full details: <https://www.jinshenghardware.net/products/js8643-2-powermax-ultra-heavy-duty-vacuum-suction.html>

JS8644 Four-Claw Articulating Vacuum Suction Cup

The four-claw articulating lifter: 205 KG level suction and 220 KG vertical, on an iron alloy articulating link that lets it attach securely at various angles. High-strength cast aluminium alloy body, thickened plastic anti-slip latch, nitrile rubber pads, and a thickened rubber-coated handle.

Specification	Value
Net Weight	/g
Horizontal Suction	205kg
Vertical Suction	220kg
Packing	1PC/ inner box, 10pcs/ CTN
Color	yellow, or customized
Carton Size	52*40*60
Colour options	yellow, or customized
Packing	1PC/ inner box, 10pcs/ CTN
Minimum order	2000pcs customised
