

Weihua Laser Company Profile

Jinan Weihua Machinery & Equipment Co., Ltd

What we make

Industrial laser machines: CO2 engraving and cutting machines, fiber laser cutters for sheet and tube, fiber, MOPA, UV and CO2 marking machines, handheld and automatic laser welders, pulse and continuous laser cleaners, YAG mould repair welders and vinyl cutting plotters.

Who we serve

Machine dealers and workshops overseas: textile and garment producers, advertising and signage makers, sheet metal fabricators, mould and die repair shops, hardware and electronics manufacturers, and restoration workshops removing rust and paint.
