Jonai Tech and KIKOO Product Catalogue

Jonai Tech has built memory card readers in Shenzhen since 2007, and now builds the KIKOO range of magnetic wireless power banks, Qi2 chargers, GaN wall chargers and OTG adapters alongside them. Nineteen products, seven families, every one of them published here with the specification the factory actually quotes.

Jonai Tech has developed and produced memory card readers in Bao'an, Shenzhen since 2007. This catalogue lists every product published on www.jonaitech.com with its key specification.
