

Compliance Certificate Pack

CE and RoHS documentation covering the LAN, power and fire alarm cable ranges.

These are reproductions of the certificates held by LANP CABLE INDUSTRIAL LIMITED. Full-resolution originals are issued with every shipment and can be sent ahead of an order on request.

LAN Cable CE Attestation

HKTC attestation of compliance covering CAT5e, CAT6, FTP/SFTP/UTP indoor and outdoor variants, and CAT5 patch cable.

Power Cable CE Certificate

Wstlab CE certification covering 2-core through 22-core power cable rated AC450/750 V, 21 A.

Power Cable RoHS Certificate

EC Council Directive 2011/65/EU compliance covering the full power cable range.

Fire Alarm Cable CE Certificate

Wstlab CE certification for 2-core through 22-core fire alarm cable rated AC60/750 V at 50/60 Hz.
