

Speaker Cable Specification Sheet

12 specifications manufactured by LANP CABLE INDUSTRIAL LIMITED, Jieyang City, Guangdong Province, China.

How to read this sheet. Every value is taken from the factory specification for that line. A dash means the value is confirmed against the production line at quotation rather than held as a catalogue figure — ask and we will give you the tested number.

Speaker Cable — 12 specifications

Product	Class	Shielding	Conductor	Structure	Gauge	Cores / Pairs	Jacket	Colour	Packaging
