

Packing Machinery And Palletising Catalogue

Complete range, 35 machines

Hefei Honor Automation Technology Co., Ltd. has built automatic packing machines, palletising robots, conveyors and complete packaging lines in Hefei, Anhui since 2003. Over 300 staff including more than 60 technical and R&D personnel. Standard machines ship in about 30 days and custom solutions in about 50 days, with a 1 year warranty on standard machines and 2 to 3 years on non-standard customised machines.

Packing Machinery

Machine	Series	Packing range	Speed
HN series automatic bag-making and packing machine	Form Fill Seal Bag-Making Machines	5g-200g / 200g-1000g / 500g-2500g / 1000g-5000g	40-70 bags/min / 35-60 bags/min / 30-50 bags/min / 2
Pouch Bag Packing Machine	Form Fill Seal Bag-Making Machines	On request	30-60 pouches/min
Auto VFFS Packing Machine	Form Fill Seal Bag-Making Machines	On request	On request
Weighing Filling Packing	Form Fill Seal Bag-Making Machines	On request	On request
HN P320 series powder full-automatic bag-making and packing machine	Form Fill Seal Bag-Making Machines	5g-200g / 200g-1000g / 500g-2500g / 1000g-5000g	30-60 bags/min / 20-50 bags/min / 30-50 bags/min / 2
HN-P320 series automatic bag-making and packing machine for liquid and paste	Form Fill Seal Bag-Making Machines	5g-200g / 200g-1000g / 500g-2500g / 1000g-5000g	40-80 bags/min / 30-60 bags/min / 30-50 bags/min / 1
HN-P320 Series Measuring Cup full-automatic bag-making and packing machine	Form Fill Seal Bag-Making Machines	5g-200g / 200g-1000g / 500g-2500g / 1000g-5000g	50-70 bags/min / 40-70 bags/min / 30-50 bags/min / 2
Bag Packing Machine	Premade Bag Feeding Machines	On request	On request
HN-GP6-200 series automatic feeding bag packing machine	Premade Bag Feeding Machines	100g-1000g / 500g-1000g	20-50 bags/min
HN-GP6-200 series powder automatic feeding bag packing machine	Premade Bag Feeding Machines	100g-1000g / 500g-2000g	20-45 bags/min / 10-40 bags/min
HN-GP6-200 series liquid paste full-automatic feeding bag packing machine	Premade Bag Feeding Machines	100g-1000g / 500g-2000g	30-45 bags/min / 25-40 bags/min
HN-GP6-200 series Measuring Cup full automatic bag-feeding packaging machine	Premade Bag Feeding Machines	100g-1000g / 500g-2000g	25-50 bags/min / 30-45 bags/min / 25-45 bags/min
HN series 10kg-50kg automatic feeding bag packing machine and production line	Heavy Bag Packing 10 kg To 50 kg	10kg-25kg, 20kg-40kg, 25kg-50kg	6-12 bags/min
HN series 10kg —50kg powder automatic feeding bag packing machine and production line	Heavy Bag Packing 10 kg To 50 kg	10kg-25kg, 20kg-30kg, 25kg-50kg, 50kg-100kg	2-8 bags/min
Jumbo Bag Packing Machine	Ton Bag And Jumbo Bag Equipment	500-1000kg	20-40 bags/hour
Jumbo Bag Unpacking Machin	Ton Bag And Jumbo Bag Equipment	On request	On request
HNWT2000 series ton bag packing machine	Ton Bag And Jumbo Bag Equipment	500kg-2000kg	6-20 bags/hour
HN-50WLA Packing Machine	Semi-Automatic Packing Scales	10-50kg	120-180 bags/hour
HN-50QB Packing Machine	Semi-Automatic Packing Scales	5-50kg	300-500 bags/hour
HN series semi-automatic packing scales for granules	Semi-Automatic Packing Scales	On request	On request
HN series powder semi-automatic packing scale	Semi-Automatic Packing Scales	100g-10kg	120-150pcs/min
HN series automatic packing production line	Complete Production Lines	100g-10kg	120-150pcs/min

Machine	Series	Packing range	Speed
HN series secondary bagging and packing machine production line	Complete Production Lines	On request	Large bag 2-4 bags/min, small bag 40-80 bags/min. Pa
HN series automatic palletizing production line	Complete Production Lines	On request	25kg-50kg: 600-1000 bags/hour
HN series automatic filling production line	Complete Production Lines	5g-50g, 50g-200g, 100g-500g, 500g-1000g, 1kg-5kg, 5kg-25kg, 20kg-50kg	30-90 cans/min
Vacuum Packing System	Sealing And Vacuum Equipment	On request	2-4 cycles/min
Carton Sealing Machine	Sealing And Vacuum Equipment	On request	On request
Bucket Lifting Elevator	Conveying And Inspection	On request	On request
Metal Detector	Conveying And Inspection	On request	On request

Palletising Line

Machine	Series	Packing range	Speed
Packaging Thermal Sealing	Sealing And Vacuum Equipment	On request	20-50 bags/min
Vacuum Packing Machine	Sealing And Vacuum Equipment	On request	On request
Rotatable Pallet Packing	Palletising And End Of Line	On request	On request
HN600 Palletizer Machine	Palletising And End Of Line	On request	On request
Palletizing Robot	Palletising And End Of Line	On request	On request
Box Folding Erector	Palletising And End Of Line	On request	On request

Full technical data for every machine is published at www.mypackager.com. CAD files are issued on request via WhatsApp against a specific configuration.
