

PERFECT PACKING

Product Catalogue

62 flexible packaging formats across 9 product families

Every format in this catalogue is made to your drawing rather than to a stock size. Figures shown are the documented values for that format; anything not listed is set when your specification is confirmed. Gravure printing runs to 14 colours on spout pouches, 10 on stand up pouches, 6 on block bottom bags and 1 to 4 colours both sides on ziplock bags. Minimum order quantities on the range start at 20,000 pcs.
