H-2 PERFUME ATOMIZER	H-2-30ML	On request	12PCS	144PCS	0.053	On request
H-3 PERFUME ATOMIZER	H-3-15ML	On request	12PCS	576PCS	0.054	On request

How To Read This Table

- Inner Box is the number of pieces in one inner carton, which is the unit a distributor normally picks from.
- Export Carton is the number of pieces in one shipping carton.
- CBM is the volume of one export carton, used to work out how many cartons fit in a container.
- Minimum order quantity is quoted per colour because the anodizing line runs one colour at a time.
- Any value shown as On request was not published in the catalogue and is confirmed by email.
