

Karaoke Speakers

Karaoke sets bundled with one or two wireless microphones and voice effects

About This Category

Karaoke speaker sets shipped with their wireless microphones. The kids system runs 10 W on twin 5 W drivers, takes two wireless microphones at once and carries five voice effects; the compact set pairs an 85 mm speaker with a 135 mm wireless microphone.

Who It Is For

- Toy and kids lifestyle brands
- Party goods and seasonal gift buyers
- E-commerce sellers in the family entertainment category
- Promotional and premium gift agencies

How To Specify It

- Confirm the number of microphones before tooling; the receiver stage differs.
- Choose the battery option by session length rather than by cost alone.
- Kids colourways sell in families of three or more; plan the palette at the same time.
- Check the microphone frequency band permitted in your destination market.
