

White Noise Machines

Rechargeable sleep sound machines with six sound types and a breathing light

About This Category

A rechargeable sleep sound machine 82 mm across and 36 mm high, with six sound types, three light modes on twelve LEDs, 15, 30 and 60 minute timers, adjustable volume, a 1 W speaker, a 400 mAh battery and Type-C charging.

Who It Is For

- Sleep, wellness and baby care brands
- Hotel amenity and travel retail buyers
- Home and lifestyle e-commerce sellers
- Corporate wellness gift programmes

How To Specify It

- Confirm whether the light is a feature or must be defeatable for a nursery.
- Choose the timer set for your market's sleep guidance.
- Ask for the sound files at sample stage; the six sound types can be changed.
- Plan gift packaging early — this product sells as a present.
