Stone families

Stone	Colours in the range	Usual finish
Marble	Bianco Carrara Guangxi White Moon White Galala Beige Crema Marfil China Dark Emperador Forest Black	Polished for a reflective surface Matt for a quiet contemporary look Fine picked for texture on the outside face.
Granite	Absolute Black Shanxi Black G682 Rusty Yellow G603 Light Grey G654 Dark Grey Light Green Boulder	Polished honed flamed or chiselled on the outside face for grip and shadow.
Italy Marble	Calacatta Viola Arabescato Lilac Turkey marble	Polished to bring out depth of the veining. Book matched layouts possible when the block allows.
Travertine	Beige travertine Classic Romano travertine	Honed or polished inside Filled or unfilled outside.
Sandstone	Yellow sandstone Landscape vein sandstone Wooden vein sandstone	Natural matt or lightly honed. Sandstone is normally not polished to a gloss.
Limestone	Bluestone Blue limestone Beige limestone	Honed for a soft matt face or bush hammered outside for texture.
Onyx	Honey Onyx Green Onyx Pink Onyx	Polished. Wall thickness is planned with the lighting design when the tub will be lit.
River Cobble	Grey and green river boulder Cobble stone	Polished bowl with the natural weathered skin left on the outside.
Terrazzo	White terrazzo Grey terrazzo	Polished or matt. Fluted outside faces available.

Care in service

Marble. Wipe spills quickly use pH balanced cleaners and reseal every few years. Avoid acidic and citrus cleaners which etch polished marble.

Granite. Rinse and dry after use. Granite tolerates normal bathroom cleaners better than marble but sealing still helps.

Italy Marble. Treat as fine marble. Blot spills seal the surface and keep acidic products away from the rim.

Travertine. Seal after installation and clean with mild neutral detergent.

Sandstone. Sandstone is porous. Seal it after installation wipe spills immediately and use pH balanced cleaners only.

Limestone. Seal after installation and avoid acidic cleaners.

Onyx. Onyx is softer than marble. Keep it dry between uses and clean with a neutral product only.

River Cobble. Rinse after use. The natural face can simply be brushed clean.

Terrazzo. Clean with neutral detergent and reseal periodically.
