

PPE RFQ checklist

Fill this in and send it to sales@tianchimed.com, or message the sales team on WhatsApp +86 139 2505 0568. A request with these boxes ticked normally comes back as a price, an MOQ and a lead time in one reply.

Must have

- ☐ Product line and old-site reference (the REF number on each product page)
- ☐ Quantity, and the size split across S / M / L / XL
- ☐ Destination country and port of discharge
- ☐ The standard your policy or tender names, quoted exactly as written
- ☐ Whether this is a one-off or a repeating programme

Decides the price

- ☐ Powdered or powder-free, where the line offers both
- ☐ Colour, if the line offers a choice or a custom option
- ☐ Private label: own carton artwork, own box, or supplier brand
- ☐ Labelling or FBA delivery requirements
- ☐ Target unit cost, if you have one

Decides the schedule

- ☐ Required delivery date, and whether it is tied to a contract milestone
- ☐ Whether you can draw on US or Brazilian warehouse stock instead of a production run
- ☐ Whether you need a physical sample before production
- ☐ Pre-shipment inspection: who, and at what stage

Ask for in writing — these are never published

- ☐ Minimum order quantity for this line at this size
- ☐ Production lead time from order confirmation
- ☐ Third-party test report against this line, with its issue date
- ☐ Carton dimensions, gross weight and cartons per 20ft / 40ft container
- ☐ Which group entity will be the contracting party
