Product Catalogue

Machine tools, engine rebuilding machinery and automotive maintenance equipment — 183 machines and tooling lines across 27 categories, from bench lathes to heavy-duty horizontal lathes, from valve seat cutters to CNC guillotine shears. This catalogue lists every machine in the current range, grouped by category. Model designations are as published on www.xaimc.com. For detailed specifications on any model, contact export@xaimc.com or WhatsApp +86 139 0924 4118.

Engine Rebuilding Machine (44)

Boring honing grinding surfacing and testing machines for reconditioning cylinder blocks heads crankshafts and valves.

Machine	Product group
Self-Adaptive Touch Screen Machine for Cylinder Head	Automotive Machinery
Crankshaft Grinding Machine MQ8260A/C	Automotive Machinery
Vertical Fine Boring & Milling Machine TX1500/TX2150/TX2500	Automotive Machinery
Vertical Fine Boring Machine T7220B/C	Automotive Machinery
Cylinder Boring & Surface Grinding Milling Machine TXM170A/TXM200A/TXM250A	Automotive Machinery
Vertical Cylinder Boring Milling Machine VBM160	Automotive Machinery
Valve Seat and Guide Cutting Machine TL120CNC/TL120XLCNC	Automotive Machinery
Digital Display Power Valve Seat Machine TX90DRO/TL120DRO/TL120XLDRO	Automotive Machinery
Valve Seat Boring Machine TX90/TL120/TL120XL	Automotive Machinery
Valve Seat and Guide Cutting Machine TS60	Automotive Machinery
Valve Guide & Seat Cutting Machine VT60	Automotive Machinery
Small Boring Machine T806/T807/T806A/T808A	Automotive Machinery
Portable Cylinder Boring Machine T808A	Automotive Machinery
Cylinder Boring Machine T8014A/T8016A	Automotive Machinery
Boring & Honing Machine for Motorcycle Cylinder SBM100	Automotive Machinery
Cylinder Vertical Air-Floating Fine Boring Machine TB8016	Automotive Machinery
Cylinder Boring Machine FT7	Automotive Machinery
Vertical Cylinder Honing Machine 3M9817	Automotive Machinery
Automatic Cylinder Honing Machine VHM170	Automotive Machinery
Vertical Cylinder Honing Machine 3MB9808	Automotive Machinery
Cylinder Honing Machine SHM100	Automotive Machinery
Vertical Air-Floating Cylinder Honing Machine THM170	Automotive Machinery
M4215 Hydraulic Vertical Cylinder Honing Machine	Automotive Machinery
Line Honing Machine LH100	Automotive Machinery
TSM850 Cylinder Head Disc Grinding and Milling Machine	Automotive Machinery
Cylinder Block Grinding & Milling Machine 3M9740B*130/150	Automotive Machinery
Cylinder Block Grinding-Milling Machine 3M9735B	Automotive Machinery
Line Boring Machine LB100	Automotive Machinery

Line Boring Machine T8120*20/T8120SF/LB2300	Automotive Machinery
Con-Rod Bushing Boring Machine T8216/T8210D	Automotive Machinery
Cap and Rod Grinding Machine DM50/DM100	Automotive Machinery
Valve Grinder TVR100	Automotive Machinery
Valve Grinding Machine TVG90	Automotive Machinery
Valve Grinder VR90	Automotive Machinery
Hydraulic Valve Guide Press Machine TGP1200	Automotive Machinery
Cylinder Head Pressure Tester TPT1600/TPT1600L/TPT1700	Automotive Machinery
Universal Workstation TWS1100/TWB500	Automotive Machinery
Vacuum Tester ZJ45	Automotive Machinery
Auto Spare Parts Ultrasonic Cleaner Machine UCM1500	Automotive Machinery
Drum and Disc Brake Cutting Lathe Machine C9350C/C9370C	Automotive Machinery
Brake Disc Lathe C9350/C9370/C9372	Automotive Machinery
Brake Drum and Disc Lathe Machine T8445/T8465	Automotive Machinery
Brake Drums Lathe T8360 and T8370	Automotive Machinery
Brake Drum and Disc Lathe C9335 and C9365	Automotive Machinery

Garage Equipment (6)

Lifts tyre changers wheel balancers and service equipment for vehicle workshops including truck sizes.

Machine	Product group
Pneumatic Waste Oil Extractor	Automotive Machinery
Pneumatic Tilt-Back Post Tyre Changer TC665R / TC665RA	Automotive Machinery
Truck Wheel Balancer CB1200	Automotive Machinery
Truck Tyre Changer T998A	Automotive Machinery
Truck Tyre Changer T598	Automotive Machinery
Two Post Auto Car Lift Machine	Automotive Machinery

Turning (25)

Bench lathes engine lathes gap-bed lathes heavy-duty horizontal lathes and vertical turret lathes.

Machine	Product group
BV20-1/BV20L-1 Manual Small Bench Lathe Machine	Metal Processing Machinery
BVB25 3in1 Multipurpose Milling Drilling Machine	Metal Processing Machinery
HQ800 Multi Purpose Type Drilling Milling Machine	Metal Processing Machinery
Universal Desktop Lathe Machine BL1224	Metal Processing Machinery
Bench Lathe Machine CZ1237	Metal Processing Machinery
Small Manual Bench Lathe Machine BL1341G	Metal Processing Machinery
Engine Lathe Machine C0630A	Metal Processing Machinery
Horizontal Bench Type Lathe Machine C0632A	Metal Processing Machinery

C0632D Lathe Brake Manual Machine	Metal Processing Machinery
C0636N Bench Metal Lathe Machine	Metal Processing Machinery
Parallel Lathes Machine CM6241	Metal Processing Machinery
BJ Series Gap-Bed Lathes	Metal Processing Machinery
CS6140J Universal Lathes	Metal Processing Machinery
Universal Lathes Series	Metal Processing Machinery
Gap Bed Lathe Machine CS6240 CS6250B/C CS6266B/C	Metal Processing Machinery
CQ6280 Universal Heavy Duty Horizontal Lathe Machine	Metal Processing Machinery
Horizontal Manual Lathe Machine C6180A	Metal Processing Machinery
CW6636 Universal Horizontal Pipe Threading Lathe Machine	Metal Processing Machinery
Heavy Duty Lathe CW61125D	Metal Processing Machinery
Heavy Duty Turning Lathe Machine CW61125H	Metal Processing Machinery
CW61125L Heavy Duty Lathe Machine	Metal Processing Machinery
CW61125N Heavy Duty Turning Lathe Machine	Metal Processing Machinery
Single Column Vertical Turning Lathe Machine C5112	Metal Processing Machinery
Manual Vertical Turret Lathe C5225	Metal Processing Machinery
CK5225 Double Column Vertical CNC Lathe Machine	Metal Processing Machinery

Milling (13)

Universal vertical horizontal bed-type and swivel-head milling machines plus drilling and milling combinations.

Machine	Product group
X716 Swivel Head Bed Type Universal Milling Machine	Metal Processing Machinery
X715 Bed Type Vertical Milling Machine	Metal Processing Machinery
Heavy Duty Universal Vertical Milling Machine X5032	Metal Processing Machinery
X6140 Universal L Milling Machine	Metal Processing Machinery
X6332Z Universal Vertical Horizontal Gear Head Drilling and Milling Machine	Metal Processing Machinery
X6436 Universal Drilling and Milling Machine	Metal Processing Machinery
X6432A Universal Swivel Head Milling Machine	Metal Processing Machinery
XW5032 Universal Vertical Milling Machine	Metal Processing Machinery
XW6136 Universal Lifting Table Horizontal Milling Machine	Metal Processing Machinery
XZ6326B Universal Milling Machine	Metal Processing Machinery
XZ6350Z Universal Vertical Drilling and Milling Machine	Metal Processing Machinery
XZ6350ZS Universal Vertical Drilling and Milling Machine	Metal Processing Machinery
XZ6350ZB Vertical and Horizontal Auto Drill Machine	Metal Processing Machinery

Drilling (12)

Bench pillar box-column and radial drilling machines from small bench units to large radial arms.

Machine	Product group
---------	---------------

Auto-Feed Drilling Machine ZB4116G ZB4120G ZB4132G ZB4132GP ZB5032B & ZB5032GP	Metal Processing Machinery
Bench Strong Drilling Machine Z4006G Z4116G Z4120G Z4132G Z5032G & Z5032GP	Metal Processing Machinery
Pillar Type Vertical Drilling Machine Z5025 and Z5025B	Metal Processing Machinery
Pillar Type Vertical Drilling Machine Z5030 Z5035 Z5040 and Z5050	Metal Processing Machinery
Box-Type Vertical Drilling Machine Z5140A Z5150A Z5140B Z5150B Z5163B and Z5180B	Metal Processing Machinery
Drill Machine DP30013B (1213B) and DP30016B (1216B)	Metal Processing Machinery
Mechanical Radial Drilling Machine Z3032x8/1 and Z3040x8	Metal Processing Machinery
Radial Drilling Machine ZQ3040x10/1 Z3040x10 and Z3032x10	Metal Processing Machinery
Radial Drilling Machine Z3050x12/1 Z3040x13/1 Z3040x10/1 and Z3032x10/1	Metal Processing Machinery
Radial Drilling Machine Z3040x16/1 Z3050x16/1 and ZQ3050x20/1	Metal Processing Machinery
Radial Drilling Machine Z3040x16/2 Z3050x16/2 and ZQ3050x20/2	Metal Processing Machinery
Radial Drilling Machine Z3080x25 and Z3063x20A	Metal Processing Machinery

Boring (3)

Horizontal boring and milling machines including CNC models for large housings and frames.

Machine	Product group
TX6213 CNC Horizontal Milling Boring Machine	Metal Processing Machinery
TPX611 Horizontal CNC Milling Boring Machine	Metal Processing Machinery
Horizontal Boring Machine TX611B	Metal Processing Machinery

Grinding (9)

Surface cylindrical centreless and tool grinding machines for finishing operations after turning and milling.

Machine	Product group
External Cylindrical Grinder M1320/M1332/M1350	Metal Processing Machinery
Conventional Universal Cylindrical Grinding Machine M1420/M1432/1450/M1463	Metal Processing Machinery
Surface Grinding Machine M7150/M7163/M7170/M7180	Metal Processing Machinery
Surface Grinding Machine M7120/M7130/M7140	Metal Processing Machinery
Surface Grinding Machines M7232/M7240	Metal Processing Machinery
M1230 Surface Grinder Grinding Machine	Metal Processing Machinery
M618 Surface Grinding Machine	Metal Processing Machinery
Centerless Grinding Machine M1050/M10100A	Metal Processing Machinery
2M9120A Universal Cutter Tool Grinder	Metal Processing Machinery

Sawing (12)

Hacksaw band saw circular and cold saw machines for cutting bar tube and section stock.

Machine	Product group
G7016 Metal Cutting Hack Saw Machine	Metal Processing Machinery

Automatic Power Hacksaw Machine G7025	Metal Processing Machinery
Hack Sawing Machine GL7132	Metal Processing Machinery
G4250 Double Column Horizontal Metal Band Sawing Machine	Metal Processing Machinery
Double Column Horizontal Metal Band Sawing Machine GZ4233	Metal Processing Machinery
BS1018R 10 Inch Industrial Hydraulic Metal Band Saw	Metal Processing Machinery
Metal Cutting Band Saw BS912B/GR/BS1018B	Metal Processing Machinery
S-280G Pipe Cutting Saw Machine	Metal Processing Machinery
BS-115 Mini Metal Cutting Saw Machine	Metal Processing Machinery
CS-315 Cold Cutting Saw	Metal Processing Machinery
CS-275 Electric Circular Sawing Machine	Metal Processing Machinery
Shape Cutter J3GA-400	Metal Processing Machinery

Shaping (3)

Horizontal hydraulic and mechanical metal shaper machines for flat surfaces slots and keyways.

Machine	Product group
BY60100C Horizontal Hydraulic Shaper Machine	Metal Processing Machinery
BC6063 Metal Shaper Machine	Metal Processing Machinery
B6050 Metal Shaper Machine	Metal Processing Machinery

Slotting (1)

Vertical slotting machines for internal keyways splines and square holes.

Machine	Product group
B5020/B5032/B5040/B5050 Vertical Slotting Machine	Metal Processing Machinery

EDM (3)

Wire cut and spark erosion CNC electrical discharge machines for hardened material and complex forms.

Machine	Product group
D7135 CNC Electric Discharge	Metal Processing Machinery
Auto Wire Cutter DK7745 EDM	Metal Processing Machinery
ZNC350 Spark Erosion Electric Discharge Die Sinking Machine	Metal Processing Machinery

Tapping (5)

Electric pneumatic and lead-screw tapping and threading machines for repeat threaded holes.

Machine	Product group
Tapping Machine SWJ-10B SWJ-6 SWJ-12 SWJ-16 & SWJ-24	Metal Processing Machinery
Pneumatic and Electric Threading Machine SRAM12 SRM-M16W SRM-M24 SRM-M42W	Metal Processing Machinery
Gear Type Teeth Distance Tapping Machine SB6516 SB6532 and SB6532A	Metal Processing Machinery
Gear Type Teeth Distance Tapping Machine SB408G SB4516G and SB4516A	Metal Processing Machinery

Hobbing (4)

Gear hobbing machines from minitype to large diameter for spur and helical gear cutting.

Machine	Product group
Y3150K Minitype Gear Hobber Machine	Metal Processing Machinery
Y31125E Gear Hobbing Machine	Metal Processing Machinery
YB3150E Gear Hobbing Machine	Metal Processing Machinery
YB3180 Gear Hobbing Machine	Metal Processing Machinery

Press Machine (6)

Manual bench mechanical and hydraulic presses for punching forming and assembly pressing.

Machine	Product group
J01 Series Manual Mini Press J01-0.05 J01-0.2 and J03-0.6	Metal Forming Machinery
JB04 Series Table Small Press Machine	Metal Forming Machinery
J21 Series Open Type Press Punching Machine	Metal Forming Machinery
Power Press Machine J23	Metal Forming Machinery
Operated Hydraulic Press MDY100/35	Metal Forming Machinery
Y32 Four Column Hydraulic Press Machine	Metal Forming Machinery

Press Brakes (4)

Manual folding machines electric folders and hydraulic and CNC press brakes for sheet metal bending.

Machine	Product group
WS Series Manual Sheet Metal Bending Machine	Metal Forming Machinery
FD Series Electric Type Folding Machine	Metal Forming Machinery
WC67Y Hydraulic Press Brake Machine	Metal Forming Machinery
WC67K CNC Hydraulic Press Brake Machine	Metal Forming Machinery

Guillotine Shears (5)

Hand foot-power hydraulic swing beam and CNC guillotine shears for straight cutting of sheet and plate.

Machine	Product group
Hand Guillotine Shear Machine GS-1000	Metal Forming Machinery
Foot Power Shearer Q11	Metal Forming Machinery
QC11K Series CNC Hydraulic Guillotine Shear	Metal Forming Machinery
QC12Y Large Hydraulic Swing Beam Shear	Metal Forming Machinery
Q35Y-20 Hydraulic Ironworker Punching and Shearing Machine	Metal Forming Machinery

Plate Rolling Machine (1)

Pyramid type mechanical plate bending rolls for cylinders cones and curved sections.

Machine	Product group
Rolls Pyramid Mechanical Plate Bending Machine W11-120*3000	Metal Forming Machinery

Bending Machines (1)

CNC pipe and tube bending machines for handrail furniture and structural tube work.

Machine	Product group
CNC Pipe Bender	Metal Forming Machinery

Laser Cutting Machines (2)

CNC fibre laser cutting machines and laser cleaning machines for rust paint and coating removal.

Machine	Product group
CNC Fiber Laser Cutting Machine for Metal and Stainless Steel	Metal Forming Machinery
Laser Cleaning Metal Paint Coat Rust Removal Machine	Metal Forming Machinery

Measuring Tools (6)

Dial indicators bore gauges micrometers vernier calipers and magnetic stands for shop measurement.

Machine	Product group
Dial Indicator and Dial Gauge Indicator Set with Magnetic Stand	Measuring Tools
Flexible Magnetic Base Stand Holder	Measuring Tools
Dial Bore Gauge	Measuring Tools
Internal Outside Micrometer 25-50 mm	Measuring Tools
Digital Vernier Caliper with Absolute Encoder	Measuring Tools
Industrial Standard Vernier Caliper 530 Series	Measuring Tools

Accessories (14)

Power chucks independent chucks machine vises magnetic chucks milling arbors hobbing cutters and honing tooling.

Machine	Product group
3KD Three-Jaw Large Through-Hole Power Chuck	Accessories
3K Three-Jaw Hollow Power Chuck	Accessories
K72 Four-Jaw Independent Chucks	Accessories
4K Four-Jaw Hollow Power Chuck	Accessories
GT Modular Manual Clamping Milling Vise	Accessories
6 Inch CNC Hydraulic Machine Vise	Accessories
Magnetic Lathe Chuck	Accessories
XM91 Dense Pole Magnetic Chuck for Grinding Machine	Accessories
Power Milling Chuck Arbor	Accessories
Pre-Grind HSS Module Hobbing Cutter Gear Hob	Accessories

Collet Chuck Series DIN6388A/B EOC	Accessories
Clamping System for Boring Machine	Accessories
Cylinder Honing Head and Honing Tools	Accessories
Boring and Milling Cutter	Accessories

Ultrasonic Processing (2)

Ultrasonic cutting and turning systems that add high-frequency tool vibration to existing machine tools.

Machine	Product group
Low-Stress and High Surface Integrity Ultrasonic Cutting Machining System	Unconventional Machining Equipment
Ultrasonic Turning Machining System	Unconventional Machining Equipment

Chemical Machinery (2)

Sulphur pastillators and drum granulators for converting molten low melting point materials into solid particles.

Machine	Product group
Sulfur Pastillator AS15000	Chemical Machinery
TDG Series Sulphur Drum Granulator	Chemical Machinery

Trade and Payment Terms

Trade terms	FOB, CFR, CIF
Payment terms	30% T/T on order, 70% before shipment; or irrevocable L/C at sight
Alibaba Trade Assurance limit	US\$300,000
Packing	Crated for sea freight, consolidated shipment available
