

COMPANY PROFILE

XINFEI INDUSTRY GROUP

Bearing, oil seal and transmission part manufacturer. Founded 1995. Registered brand AFA.

Company Profile

Xinfei Industry Group was founded in 1995. The group mainly manufactures deep groove ball bearings, cylindrical roller bearings, spherical roller bearings, taper roller bearings, angular contact ball bearings, thrust ball and thrust roller bearings, slide bearings, and non standard and specially required bearings. Products are widely used in mining, metallurgy, paper making, cement, steel, machine tools, chemicals and oil heavy machinery. Beyond bearings the group also manufactures industry chain, sprocket and related transmission parts.

Xinfei Industry Group has strong technical force, abundant manufacturing experience, a modern management system, an advanced technology level, a full range of bearing processing equipment and well appointed measurement methods. Company products are produced in strict accordance with the ISO 9001:2000 international standard for the product quality assurance system.

Alongside its own manufacture the group also distributes SKF, FAG, TIMKEN, INA, NSK, NTN, KOYO, NACHI and other brand bearings. AFA is the registered brand for the group, and its products have been exported to the worldwide market, covering Europe, Asia, Africa, America and Australia.

Product Range

Product family	References
Thrust Roller Bearings	657
Tapered Roller Bearings	392
Angular Contact Ball Bearings	346
Special And Non Standard Bearings	390
Cylindrical Roller Bearings	294
Needle Roller Bearings	131
SL Full Complement Cylindrical Roller Bearings	12
Oil Seals And Rotary Shaft Seals	142
Automotive Bearings	80
Automotive And Transmission Parts	55
Universal Joints And Cross Spiders	11
Motor And Generator Spare Parts	49

Capability And Terms

Founded	1995
Registered brand	AFA
Material	GCr15, GCr15SiMn, chrome steel; carburised grades where shock load is high
Precision classes	P0 P6 P5 P4 P2
Cage materials	Brass, steel, bakelite, nylon
Quality standard	ISO 9001 quality assurance system
Stock delivery	About 3 days
Produced delivery	About 20 to 25 days
Packing	Wood boxes, paper boxes, rust preventive wrapping
Freight	DHL, TNT, FedEx and other express; air, sea and rail

Payment terms	L/C, T/T, Western Union, PayPal on small orders
Export markets	Europe, Asia, Africa, America, Australia
