

PRODUCT CATALOGUE

Universal Joints And Cross Spiders

Cross spider universal joints and driveline components for commercial vehicle and industrial propeller shafts.

Manufacturer	XINFEI INDUSTRY GROUP — founded 1995
Brand	AFA, neutral or customer marking
References in this catalogue	11
Material	GCr15, GCr15SiMn, chrome steel; carburised grades on request
Precision classes	P0 P6 P5 P4 P2
Quality standard	ISO 9001 quality assurance system
Delivery	Stock about 3 days; production about 20 to 25 days
Packing	Wood boxes for heavy items, paper boxes for small parts
Payment terms	L/C, T/T, Western Union, PayPal on small orders
Contact	WhatsApp +86 156 0046 7881 · alina@xinfei-industry.com

Who This Category Is For

Truck driveline workshops and commercial vehicle part distributors.

The Problem It Solves

Cross assemblies are vehicle specific, and matching cup diameter with overall length across mixed European and Asian fleets is the usual sourcing problem.

Core Technical Advantage

Joints are listed by cup diameter and overall length so an existing cross can be measured and matched, with stock held on the common sizes.

Typical Applications

- Truck and bus propeller shafts
- Trailer and tipper drivelines
- Agricultural PTO drives
- Industrial drive shafts
- Construction equipment drivelines

REFERENCE LIST

Universal Joints And Cross Spiders — 11

References

Dimensions and weights below are reproduced from the manufacturing records. Where a value was never recorded the cell is left blank rather than estimated. Send the reference by WhatsApp or email to confirm current stock and price.
