Dental Lab Micromotors

Micromotors and Handpieces | 12 products

Marathon-III Micromotor

Catalogue Reference: S05; Series: Marathon; Max. Speed: 35,000 rpm; 13 configurations

Marathon Multi 600 Brushless Micromotor

Catalogue Reference: S01; Series: Marathon; Type: Brushless

Marathon Handy 700 Brushless Micromotor

Catalogue Reference: S02; Series: Marathon; Type: Brushless

Marathon-N7(New Type) Micromotor

Catalogue Reference: S2201; Series: Marathon; Type: New Type; 2 configurations

Marathon-N8 Micromotor

Catalogue Reference: S03; Series: Marathon; Voltage: 220V or 110V; 5 configurations

Marathon 3 New Champion Micromotor

Catalogue Reference: S18; Series: Marathon; Max Speed: 35,000 rpm; 4 configurations

Marathon-N7(Classic Type) Micromotor

Catalogue Reference: S04; Series: Marathon; Type: Classic Type; 5 configurations

Marathon New Power Micromotor

Catalogue Reference: S06; Series: Marathon; Max. Speed: 35,000 rpm; 13 configurations

Marathon-3 Micromotor

Catalogue Reference: S07; Series: Marathon; Max. Speed: 35,000 rpm; 13 configurations

S-SMT Micromotor

Catalogue Reference: S10; Max. Speed: 35,000 rpm; Voltage: 220V/110V; 13 configurations

STRONG 204 Micromotor

Catalogue Reference: S19; Series: Strong; Max. Speed: 35,000 rpm; 8 configurations

STRONG 90 Micromotor

Catalogue Reference: S20; Series: Strong; Max. Speed: 35,000 rpm; 8 configurations

Micromotor Handpieces

Micromotors and Handpieces | 16 products

Marathon Handpiece BM50S1

Catalogue Reference: S0905; Series: Marathon; Max Speed: 50,000rpm; 1 configurations

Micro NX Handpiece 170SH(50K)

Catalogue Reference: S0920; Speed Class: 50K rpm class; Series: Micro NX; 1 configurations

Marathon Handpiece SM45C(45K)

Catalogue Reference: S0904; Speed Class: 45K rpm class; Series: Marathon; 1 configurations

Marathon Handpiece SH37LN (45K)

Catalogue Reference: S0919; Speed Class: 45K rpm class; Series: Marathon; 1 configurations

Marathon Handpiece SH37L(M45)(45K)

Catalogue Reference: S0903; Speed Class: 45K rpm class; Series: Marathon; 1 configurations

Marathon Handpiece SDE-H37L1(35K)

Catalogue Reference: S0901; Speed Class: 35K rpm class; Series: Marathon

Marathon Handpiece SDE-H35SP1(35K)

Catalogue Reference: S0902; Speed Class: 35K rpm class; Series: Marathon; 1 configurations

YouDent Handpiece SDE-H37L1(35K)

Catalogue Reference: S0912; Speed Class: 35K rpm class; Series: YouDent; 1 configurations

YouDent Handpiece SDE-H35SP1(35K)

Catalogue Reference: S0913; Speed Class: 35K rpm class; Series: YouDent; 1 configurations

Strong Handpiece 102L(35K)

Catalogue Reference: S0915; Speed Class: 35K rpm class; Series: Strong; 1 configurations

Strong Handpiece 102(35K)

Catalogue Reference: S0916; Speed Class: 35K rpm class; Series: Strong; 1 configurations

YouDent Handpiece 102L(35K)

Catalogue Reference: S0917; Speed Class: 35K rpm class; Series: YouDent; 1 configurations

Marathon E-Type Motor SDE-M33Es(35K)

Catalogue Reference: S0906; Speed Class: 35K rpm class; Series: Marathon; 1 configurations

YouDent E-Type Motor SDE-M33Es(35K)

Catalogue Reference: S0914; Speed Class: 35K rpm class; Series: YouDent; 1 configurations

Straight Connector

Catalogue Reference: S0910; 1 configurations

Contra Angle Connector

Catalogue Reference: S0911; 1 configurations

Micromotor Spare Parts

Micromotors and Handpieces | 9 products

Micro Ball Bearings

Catalogue Reference: S0811; 7 configurations

Carbon Brush for Marathon

Catalogue Reference: S0821; Compatible With: Marathon; Szie: 3.5x3.5x4.5mm; 1 configurations

Carbon Brush for Strong

Catalogue Reference: S0822; Compatible With: Strong; Size: 3x3x4.5mm; 1 configurations

Armature for Marathon(35K)

Catalogue Reference: S0831; Speed Class: 35K rpm class; Compatible With: Marathon; 1 configurations

Armature for Marathon(45K)

Catalogue Reference: S0832; Speed Class: 45K rpm class; Compatible With: Marathon; 1 configurations

Armature for Strong(35K)

Catalogue Reference: S0833; Speed Class: 35K rpm class; Compatible With: Strong; 1 configurations

Chuck

Catalogue Reference: S0841; 2 configurations

Cord

No published specification - confirmed on quotation

Pedal On/Off

Catalogue Reference: S0861; 1 configurations

Pindex Units and Accessories

Pindex and Dowel Pins | 13 products

Pin Drill Unit, Automatic

Catalogue Reference: J0306; Type: Automatic; 1 configurations

Universal Metal Sheet

Catalogue Reference: J0309; 1 configurations

U Type Plate

Catalogue Reference: J0318; 1 configurations

Plate, Small, Zeiser

Catalogue Reference: J0314; Size: Small; Compatible With: Zeiser; 1 configurations

Magnetic Base, Small, Zeiser

Catalogue Reference: J0311; Size: Small; Compatible With: Zeiser; 1 configurations

Plate, Large, Zeiser

Catalogue Reference: J0313; Size: Large; Compatible With: Zeiser; 1 configurations

Magnetic Base, Large, Zeiser

Catalogue Reference: J0310; Size: Large; Compatible With: Zeiser; 1 configurations

Metal Plate

Catalogue Reference: J0312; 1 configurations

Plate, Amann Girrbach

Catalogue Reference: J0316; Compatible With: Amann Girrbach; 1 configurations

Magnetic Base, Amann Girrbach

Catalogue Reference: J0315; Compatible With: Amann Girrbach; Type: Magnetic; 1 configurations

Brass Dowel Pin, Short

Catalogue Reference: P0301; Material: Brass; Size: Short; 1 configurations

Putty

Catalogue Reference: J0321; 1 configurations

Pindex

Catalogue Reference: J0301; Voltage: 110V/220v; 1 configurations

Dowel Pins and Sleeves

Pindex and Dowel Pins | 6 products

Brass Dowel Pins

Catalogue Reference: P0208; Material: Brass; 12 configurations

Alloy Dowel Pins

Catalogue Reference: P0202; Material: Alloy; 2 configurations

Brass Dowel Pin With Spike

Material: Brass; Type: with Spike

Brass Pin with Sleeve

Material: Brass; Type: with Sleeve

Brass Pin with Plastic Sleeve

Catalogue Reference: P0401; Material: Brass, Plastic; 3 configurations

Twin Pin

Catalogue Reference: P01; Packing: 1000 sets/box

Watering Plates and Mixing Palettes

Ceramic Plates and Trays | 11 products

Watering Plate, Large

Catalogue Reference: K1301; Size: Large; 1 configurations

Watering Plate, Small

Catalogue Reference: K1302; Size: Small; 1 configurations

Watering Plate, Mini

Catalogue Reference: K1303; Size: Mini; 1 configurations

Pallet, 7 Wells

Catalogue Reference: K1305; Wells: 7 wells; 1 configurations

Pallet, 6 Wells

Catalogue Reference: K1306; Wells: 6 wells; 1 configurations

Pallet, 12 Wells

Catalogue Reference: K1307; Wells: 12 wells; 1 configurations

Pallet, 30 Wells

Catalogue Reference: K1308; Wells: 30 wells; 1 configurations

Pallet, 28 Wells

Catalogue Reference: K1312; Wells: 28 wells; 1 configurations

Pallet, 14 Slants

Catalogue Reference: K1314; Wells: 14 slants; 1 configurations

Mixing Slab, 24 Wells, Plus Cover, Plastic

Catalogue Reference: K1315; Material: Plastic; Wells: 24 wells; 1 configurations

Pallet, 36 Wells

Catalogue Reference: K1321; Wells: 36 wells; 1 configurations

Honeycomb Firing Trays and Pins

Ceramic Plates and Trays | 21 products

Firing Tray, Round, 80mm, Ceramic Pins

Catalogue Reference: S2802; Dimension: 80 mm; Material: Ceramic; 1 configurations

Firing Wool

Catalogue Reference: K2881; Size: 75x75x10mm; 1 configurations

Firing Tray, 80mm, Metal Pins

Dimension: 80 mm

Firing Tray, 72mm, Metal Pins

Catalogue Reference: K2807; Dimension: 72 mm; 1 configurations

Firing Tray, 80mm, Amann Girrbach Pins

Catalogue Reference: K2808; Dimension: 80 mm; Compatible With: Amann Girrbach; 1 configurations

Firing Tray, 72mm, Amann Girrbach Pins

Catalogue Reference: K2809; Dimension: 72 mm; Compatible With: Amann Girrbach; 1 configurations

Firing Tray, Square, 65mm, Ceramic Pins

Catalogue Reference: K2803; Dimension: 65 mm; Material: Ceramic; 1 configurations

Firing Tray, Square, 55mm, Ceramic Pins

Catalogue Reference: K2804; Dimension: 55 mm; Material: Ceramic; 1 configurations

Firing Tray, Multistation

Catalogue Reference: K2805; Type: Multistation; 1 configurations

Firing Tray, Vita Type

Catalogue Reference: K2806; Compatible With: VITA; 1 configurations

Metal Pin

Catalogue Reference: K2811; Packing: 20pcs/bag; 1 configurations

Ceramic Pin

Catalogue Reference: K2812; Material: Ceramic; Packing: 20pcs/bag; 1 configurations

Amann Girrbach Pin

Catalogue Reference: K2821; Series: Amann Girrbach; Packing: 10pcs/bag; 1 configurations

Pink Peg 1#

Catalogue Reference: K2813; Colour: Pink; 1 configurations

Pink Peg 2#

Catalogue Reference: K2814; Colour: Pink; 1 configurations

Pink Peg 3#

Catalogue Reference: K2815; Colour: Pink; 1 configurations

Pink Peg 4#

Catalogue Reference: K2816; Colour: Pink; 1 configurations

Pink Peg 5#

Catalogue Reference: K2817; Colour: Pink; 1 configurations

Pink Peg 6#

Catalogue Reference: K2818; Colour: Pink; 1 configurations

Pink Peg 7#

Catalogue Reference: K2819; Colour: Pink; 1 configurations

Pink Peg 8#

Catalogue Reference: K2820; Colour: Pink; 1 configurations

Wax Units, Dipping Pots and Carving Pencils

Lab Equipment | 17 products

Wax Carving Pencil, Digital

Catalogue Reference: J0801; Type: Digital; Temperature: 50 to 200C; 1 configurations

Wax Pot, 4 Slots, Type B

Wells: 4 slots

Wax Pot, 3 Slots

Wells: 3 slots

Wax Pot, 3 Slots, Digital

Wells: 3 slots; Type: Digital

Wax Pot, 1 Large Slot, Sunshine

No published specification - confirmed on quotation

Wax Pot, 3 Slot, Digital, Sunshine

Wells: 3 slots; Type: Digital

Mini Wax Dipping Unit, Sunshine

Size: Mini

JT Wax Dipping Unit

No published specification - confirmed on quotation

SJK Wax Dipping Unit

Series: SJK

Non Flame, Type B

No published specification - confirmed on quotation

Non Flame, Type A

No published specification - confirmed on quotation

Mini Wax Carving Pencil, Digital

Size: Mini; Type: Digital

Tips for Wax Carving Pencil

No published specification - confirmed on quotation

Tips for JT Wax Carving Pencil

No published specification - confirmed on quotation

Model Trimmers Polishers and Vibrators

Lab Equipment | 16 products

Model Trimmer

No published specification - confirmed on quotation

Stone Disc for Model Trimmer

No published specification - confirmed on quotation

Diamond Disc for Model Trimmer

No published specification - confirmed on quotation

High Speed Grinder

No published specification - confirmed on quotation

Handpiece for High Speed Grinder

No published specification - confirmed on quotation

Belt for High Speed Grinder

No published specification - confirmed on quotation

Chuck for High Speed Grinder

No published specification - confirmed on quotation

Arch Trimmer

No published specification - confirmed on quotation

Arch Trimmer, Ball Type

No published specification - confirmed on quotation

Carbide Bur for Arch Trimmer

No published specification - confirmed on quotation

Electronic Polisher

Type: Electronic

Polisher, Plus Cover, Large

Size: Large

Vibrator, Round, Small

Size: Small; Type: Round

Vibrator, Round, Large

Size: Large; Type: Round

Vibrator, Rectangle, Small

Size: Small

Vibrator, Rectangle, Large

Size: Large

Dental Sandblasters

Lab Equipment | 5 products

Sandblaster, Twin-Pen

Type: Twin-Pen

Sandblaster, Twin-Pen, With Drawer

Type: Twin-Pen

Recyclable Sandblaster

Type: Recyclable

Pencil for Sandblaster

No published specification - confirmed on quotation

Nozzle for Sandblaster

No published specification - confirmed on quotation

Lab Benches Dust Collectors and Suction

Lab Equipment | 9 products

Lab Bench, Single Person

No published specification - confirmed on quotation

Lab Bench, Two Person

No published specification - confirmed on quotation

Dust Collector

No published specification - confirmed on quotation

Dust Collector, Digital

Type: Digital

Dust Collector, Y Tubes

No published specification - confirmed on quotation

Bag for Dust Collector

No published specification - confirmed on quotation

Desktop Suction Base

No published specification - confirmed on quotation

Lab Cover

No published specification - confirmed on quotation

Cupboard

No published specification - confirmed on quotation

Casting Machines Crucibles and Rings

Lab Equipment | 10 products

Casting Machine

No published specification - confirmed on quotation

Spring for Casting Machine

Type: Spring

Crucible

No published specification - confirmed on quotation

Crucible, Vertical

Type: Vertical

Crucible, Vertical, With Cover

Type: Vertical

Crucible, Vertical, Graphite

Material: Graphite; Type: Vertical

Casting Rings, Transparent

Colour: Transparent

Casting Rings, Blue

Colour: Blue

Casting Rings, Stainless Steel

Material: Stainless Steel

Ring Liner

No published specification - confirmed on quotation

Vacuum Formers Cleaners and Mixers

Lab Equipment | 17 products

Vacuum Former, White

Colour: White

Vacuum Former, Blue

Colour: Blue

Vacuum Forming Material

No published specification - confirmed on quotation

Tooth Color Comparator

No published specification - confirmed on quotation

VITA 3D-Master Toothguide

Series: VITA

Injection Machine, Hydraulic

Type: Hydraulic

Injection Machine

No published specification - confirmed on quotation

Flexible Resin

No published specification - confirmed on quotation

Ultrasonic Cleaner, Medium, CD-4800

Size: Medium

Ultrasonic Cleaner, Large, CD-4820

Size: Large

Steam Washer

No published specification - confirmed on quotation

Distiller

No published specification - confirmed on quotation

Pressure Cooker

No published specification - confirmed on quotation

Vacuum Mixer

No published specification - confirmed on quotation

Mixer Cup

No published specification - confirmed on quotation

Mixer Cup for Whip Mix, Large

Size: Large; Compatible With: Whip Mix

Air Turbine Marathon Mat-300W

Power: 300W; Compatible With: Marathon

Articulators and Denture Flasks

Tools and Consumables | 24 products

Articulator, Japan Type

Compatible With: Japan Type

Magnetic Articulator, Large

Size: Large; Type: Magnetic

Magnetic Articulator, Small

Size: Small; Type: Magnetic

Articulator, Europe Type, Red

Colour: Red; Compatible With: Europe Type

Articulator, 2012 Type

No published specification - confirmed on quotation

SJKArt-2 Articulator

Series: SJK

Disposable Articulator, Plastic

Material: Plastic; Type: Disposable

Alloy Articulator, Large

Material: Alloy; Size: Large

Alloy Articulator, Medium

Material: Alloy; Size: Medium

Alloy Articulator, Small

Material: Alloy; Size: Small

Alloy Articulator, Full

Material: Alloy; Size: Full

Spring Articulator

Type: Spring

Brass Articulator, Large

Material: Brass; Size: Large

Brass Articulator, Medium

Material: Brass; Size: Medium

Brass Articulator, Small

Material: Brass; Size: Small

Hydraulic Presser

Type: Hydraulic

Compress, Brass, Round Brass Flask

Material: Brass; Type: Round

Compress, Alloy

Material: Alloy

Reline Jig

No published specification - confirmed on quotation

Aluminum Flask, 7#

Material: Aluminum

Brass Flask, 7#

Material: Brass

Microwave Flask

Type: Microwave

Duplicating Flask

Type: Duplicating

Plastic Duplicating Flask

Material: Plastic; Type: Duplicating

Bunsen Burners and Dental Torches

Tools and Consumables | 7 products

Bunsen Burner, Double Tubes, Red

Colour: Red

Bunsen Burner, Double Tubes, Silvery

No published specification - confirmed on quotation

Bunsen Burner, Single Tube

No published specification - confirmed on quotation

Micro Torch, 703#

No published specification - confirmed on quotation

Micro Torch, 851#

No published specification - confirmed on quotation

Glass Alcohol Torch, Metal Cover

Material: Glass

Plastic Alcohol Torch

Material: Plastic

Dental Surveyors

Tools and Consumables | 4 products

Surveyor, General Type

No published specification - confirmed on quotation

Surveyor, Square Type

Type: Square

Surveyor, Round Base

Type: Round

Marathon 103 Surveyor

Series: Marathon

Mounted Points Burs and Polishers

Tools and Consumables | 22 products

Mounted Points, Green, 1

Colour: Green

Mounted Points, Green, 2

Colour: Green

Mounted Points, White, 1

Colour: White

Mounted Points, White, 2

Colour: White

Mounted Points, Pink, 1

Colour: Pink

Mounted Points, Pink, 2

Colour: Pink

Mounted Points, Blue

Colour: Blue

Mounted Points, Brown

No published specification - confirmed on quotation

Diamond Turbo Grinder, 1

No published specification - confirmed on quotation

Diamond Turbo Grinder, 2

No published specification - confirmed on quotation

Diamond Turbo Grinder, 3

No published specification - confirmed on quotation

Rubber Diamond Polishers

Material: Rubber

Rubber Wheel

Material: Rubber

Rubber Points

Material: Rubber

Silicone Wheel, Point, Disc

Material: Silicone

Separating Discs, 1

No published specification - confirmed on quotation

Separating Discs, 2

No published specification - confirmed on quotation

Porcelain Denture Polishing Kit

No published specification - confirmed on quotation

Resin Bridgework Polishing Kit

No published specification - confirmed on quotation

Sintered Diamond Burs, 1

No published specification - confirmed on quotation

Sintered Diamond Burs, 2

No published specification - confirmed on quotation

Diamond Burs Set

No published specification - confirmed on quotation

Dental Waxes and Wax Patterns

Tools and Consumables | 19 products

Wax Net 968

No published specification - confirmed on quotation

Wax Net 978

No published specification - confirmed on quotation

Wax Net 988

No published specification - confirmed on quotation

Wax Net 928

No published specification - confirmed on quotation

Wax Net 828L

No published specification - confirmed on quotation

Wax Net 828S

No published specification - confirmed on quotation

Wax Net 878

No published specification - confirmed on quotation

Wax Net 898

No published specification - confirmed on quotation

Wax Line

No published specification - confirmed on quotation

Accurate Infiltrating Wax

No published specification - confirmed on quotation

Base Plate Wax

No published specification - confirmed on quotation

Casting Wax, Thin

No published specification - confirmed on quotation

Casting Wax, Thick

No published specification - confirmed on quotation

Inlay Casting Wax, Blue

Colour: Blue

Inlay Casting Wax, Green

Colour: Green

Pattern Former Wax, Green

Colour: Green

Pattern Former Wax, Blue

Colour: Blue

Pattern Former Wax, Red

Colour: Red

Pattern Former Wax, Yellow

Colour: Yellow

Bench Tools and Lab Consumables

Tools and Consumables | 74 products

Dial Caliper, Digital

Type: Digital

Plaster Saw, Stainless Steel Handle

Material: Stainless Steel

Plaster Saw, Rubber Handle

Material: Rubber

Saw Blades

No published specification - confirmed on quotation

Dental Solder

No published specification - confirmed on quotation

Solder Paste

No published specification - confirmed on quotation

Compressible Sponge VITA

Compatible With: VITA

Compressible Sponge VISKO VITA

Compatible With: VISKO VITA, VITA

Plaster Cutter

No published specification - confirmed on quotation

Plaster Cutter, Self Locking Type

Type: Self Locking

Dial Caliper, New

No published specification - confirmed on quotation

Dial Caliper

No published specification - confirmed on quotation

Touch-On Caliper

No published specification - confirmed on quotation

Device Bohley, Stainless Steel

Material: Stainless Steel

Device Bohley, Plastic

Material: Plastic

Hemostats

No published specification - confirmed on quotation

Dental Lab Kit

No published specification - confirmed on quotation

Dental Lab Kit for Porcelain

No published specification - confirmed on quotation

Gravers, 1

No published specification - confirmed on quotation

Gravers, 2

No published specification - confirmed on quotation

Color Gravers

No published specification - confirmed on quotation

Scalpel and Surgical Blade

No published specification - confirmed on quotation

Dental Wire, Stainless Steel

Material: Stainless Steel

Safety Glasses

No published specification - confirmed on quotation

Bench Tools and Lab Consumables (continued)

Visor Shield

No published specification - confirmed on quotation

Reinforcement Grid

No published specification - confirmed on quotation

Digital Scale

Type: Digital

Face Mask

No published specification - confirmed on quotation

Latex Examination Gloves

Material: Latex

Articulator Paper, Straight Shape

No published specification - confirmed on quotation

Articulator Paper, Full Mouth Shape

Size: Full

Magnetic Bur Holder

Type: Magnetic

Impression Tray, Plastic-Steel

Material: Plastic-Steel, Plastic

Impression Tray, Stainless Steel

Material: Stainless Steel

Bench Light, 1

No published specification - confirmed on quotation

Bench Light, 2

No published specification - confirmed on quotation

Magnifier Loupes

No published specification - confirmed on quotation

Nickel-Chromium Alloy Plate

Material: Alloy, Nickel-Chromium

Temporary Crown

No published specification - confirmed on quotation

Glue, 502#

No published specification - confirmed on quotation

Die Space

No published specification - confirmed on quotation

Dental Key Chain, 1

No published specification - confirmed on quotation

Dental Key Chain, 2

No published specification - confirmed on quotation

Working Model, 1

No published specification - confirmed on quotation

Working Model, 2

No published specification - confirmed on quotation

Silicone Negative Moulds

Material: Silicone

Work Pan

No published specification - confirmed on quotation

Rubber Mixing Bowl

Material: Rubber

Silicone Mixing Bowl

Material: Silicone

Bench Tools and Lab Consumables (continued)

Plastic Spatulas

Material: Plastic

Denture Box, Large

Size: Large

Denture Box, Medium

Size: Medium

Denture Box, Small

Size: Small

Plastic Box

Material: Plastic

Transport and Storage Box

No published specification - confirmed on quotation

Model Base Mould, Plastic

Material: Plastic

Silicone Model Base Mould, Green

Material: Silicone; Colour: Green

Silicone Model Base Mould, with Tongue, White

Material: Silicone; Colour: White; Type: with Tongue

Silicone Model Base Mould, White

Material: Silicone; Colour: White

Rubber Model Base Mould, with Tongue, Green

Material: Rubber; Colour: Green; Type: with Tongue

Rubber Model Base Mould, Green

Material: Rubber; Colour: Green

Split Model Base Moulds

No published specification - confirmed on quotation

Bego Type Model Base Moulds

Series: Bego

Polishing Brush, with Handle, 100pcs/pack, 1

Packing: 100 pcs per pack; Type: with Handle

Polishing Brush, with Handle, 100pcs/pack, 2

Packing: 100 pcs per pack; Type: with Handle

Brush, Plastic Core

Material: Plastic, Plastic Core

Brush, Wooden Core, 1

Material: Wooden Core

Brush, Wooden Core, 2

Material: Wooden Core

Plain Brush, without handle, 48mm

Dimension: 48 mm; Type: without handle

Goat Hair Polisher

No published specification - confirmed on quotation

Muslin Buff, Yellow

Colour: Yellow

Muslin Buff, White

Colour: White

Ceramic Brushes

Material: Ceramic

Mandrels

No published specification - confirmed on quotation

Zirconia Blocks and Discs

CAD/CAM Materials | 1 products

Zirconia Blocks 98mm

Dimension: 98 mm; Material: Zirconia

CAD/CAM Wax Blocks and Discs

CAD/CAM Materials | 6 products

Wax Blocks, 98mm, Blue

Catalogue Reference: B9810; Dimension: 98 mm; Colour: Blue; 7 configurations
