ZY-E007

## About this range

Ceiling lights are what you specify when a pendant will not work: low ceilings, corridors, bedrooms above a bed, or any space where a hanging fixture is a hazard. This group covers crystal, acrylic and resin bodies, on sources from E14 lamps up to high wattage integrated LED, at 3000K, 4000K and 6000K.

## Commercial terms

|                        |                                                                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>MOQ</b>             | Low MOQ. One piece is available for sample checking, and trial orders are welcome.                                                                                                             |
| <b>Lead time</b>       | 45 to 60 days for a new order, 30 to 45 days for a repeat order, 7 to 10 days for a sample order.                                                                                              |
| <b>Customisation</b>   | OEM and ODM customisation is available to your own drawings, finishes and sizes.                                                                                                               |
| <b>Quality control</b> | We run our own quality control department with a professional QC team on the production floor, and a dedicated QC inspects your order and sends you a photo inspection report before shipment. |
| <b>Packing</b>         | Our packaging has passed the e-commerce drop test, which is what makes single-carton parcel shipping survivable.                                                                               |
| <b>Payment</b>         | T/T, L/C at sight, Ali Trade Assurance, PayPal, Western Union and MoneyGram. Other terms can be negotiated.                                                                                    |
| <b>Warranty</b>        | Six years. Inside the warranty period we offer three remedies depending on the situation: supplementary accessories, return and exchange, or refund.                                           |

## Ceiling Lights: all 37 products

Every figure below is the figure published on the matching product page at zhiyi-lighting.com. Where a value is not published we print a dash rather than an estimate.
