Lamp holder

Who we are

We make decorative lighting in our own moulding workshop, hardware workshop and producing workshop. Our main products are chandeliers, pendant lamps, wall lamps, ceiling lights, table lamps and floor lamps, made from iron, resin, glass, crystal, ceramic, brass, metal, wood. This catalogue publishes 771 products across 33 categories, each with its own item number.

Our engineers have 10 years of experience and fluent English, and develop two to three new items every month to enrich the catalogue.

Our QC staff each have over five years of experience and work to make sure products meet 3C, UL and CE standards.

Certification

Products in our range hold CE, BS, RoHS, VDE, SASO, ETL, UL, SAA marks. We operate our factories in strict accordance with ISO 9001 standards. Marks are held per product rather than as blanket coverage, so ask for the certificate covering the exact model you are buying.

Markets

We have established long-term cooperation with clients in Europe, the USA, the Middle East, South Asia, East Asia. We do not publish a country count.

Commercial terms

MOQ	Low MOQ. One piece is available for sample checking, and trial orders are welcome.
Lead time	45 to 60 days for a new order, 30 to 45 days for a repeat order, 7 to 10 days for a sample order.
Customisation	OEM and ODM customisation is available to your own drawings, finishes and sizes.
Quality control	We run our own quality control department with a professional QC team on the production floor, and a dedicated QC inspects your order and sends you a photo inspection report before shipment.
Packing	Our packaging has passed the e-commerce drop test, which is what makes single-carton parcel shipping survivable.
Payment	T/T, L/C at sight, Ali Trade Assurance, PayPal, Western Union and MoneyGram. Other terms can be negotiated.
Warranty	Six years. Inside the warranty period we offer three remedies depending on the situation: supplementary accessories, return and exchange, or refund.

The range at a glance

Family	Products	What it covers
Pendant Lights	400	The core of this factory: iron, acrylic, aluminium and glass pendants in modern simple, Nordic and classic styles, built on relampable E27, E14 and G9 bases.
Chandeliers	73	Glass, crystal, copper and iron chandeliers on G9, G4, E14 and LED sources, built for lobbies, stairwells and rooms with height to fill.
Wall Lights	105	Sconces in iron, glass, wood, hardware, crystal and natural stone, including tri-colour LED models, for corridors, bedsides and stairs.
Ceiling Lights	37	Flush and semi-flush ceiling fixtures in iron, acrylic, crystal, resin and stainless steel, including high-output LED models for rooms without the height for a pendant.
Ceiling Fan Lights	27	Metal, PC and acrylic fan lights with LED at 3000K, 4000K and 6500K on 85 to 265V, including silent DC models.
Table Lights	56	Copper, glass, PS, acrylic and shell table lamps on E27, GU10 and LED, including rechargeable and lava models.
Floor Lights	66	Iron, fabric, acrylic, feather and glass floor lamps on E27, G9, G4 and LED, from reading lights to metre-plus sculptural pieces.
Spotlights	5	Aluminium COB and grille spotlights on 85 to 265V, surface mounted, recessed and foldable, including dimmable models.
Track Lights	2	Aluminium LED track fittings including magnetic foldable COB grille and linear strip models, on 85 to 265V.
