About this range

Pendant lighting is where most of our engineering effort goes, and it shows in the breadth. The group runs from a single small glass shade over a bedside table to multi-head aluminium clusters designed for a double height lobby, and almost all of it is offered at 3000K, 4000K and 6500K on the same item number so a whole building can be locked to one colour temperature at the order stage.

Commercial terms

MOQ	Low MOQ. One piece is available for sample checking, and trial orders are welcome.
Lead time	45 to 60 days for a new order, 30 to 45 days for a repeat order, 7 to 10 days for a sample order.
Customisation	OEM and ODM customisation is available to your own drawings, finishes and sizes.
Quality control	We run our own quality control department with a professional QC team on the production floor, and a dedicated QC inspects your order and sends you a photo inspection report before shipment.
Packing	Our packaging has passed the e-commerce drop test, which is what makes single-carton parcel shipping survivable.
Payment	T/T, L/C at sight, Ali Trade Assurance, PayPal, Western Union and MoneyGram. Other terms can be negotiated.
Warranty	Six years. Inside the warranty period we offer three remedies depending on the situation: supplementary accessories, return and exchange, or refund.

Sub-categories in this range

Acrylic Pendant Lights	44 products	Aluminium and acrylic pendants built around LED strip and SMD sources, including three-colour switching, for large diffuse forms without the weight of glass.
Art Pendant Lights	15 products	Large-diameter aluminium and stainless steel sculptural pendants on LED sources, for spaces where the fixture is the centrepiece.
Cement Pendant Lights	3 products	Concrete, resin and wood pendants on LED sources, for industrial and wabi-sabi interiors that want mass rather than shine.
Copper And Marble Pendant Lights	30 products	Copper bodies paired with natural marble and alabaster, on LED, E14 and G9 sources, for interiors where the material is the argument.
Crystal Pendant Lights	1 products	Plated iron, ceramic and crystal pendants on LED E14 sources, where sparkle is wanted at pendant scale rather than chandelier scale.
Glass Pendant Lights	43 products	Blown and bent glass shades on iron and plated iron frames, on E14, E12, E27 and G9 bases, in clear, amber and coloured finishes.
Metal Pendant Lights	196 products	The deepest single group in the catalogue: aluminium, iron and acrylic pendants in modern simple, Nordic, classic and European styles.
Natural Stone Pendant Lights	27 products	Yellow travertine and stone shades on wood and metal hardware, lit by LED, G9 and E27 sources, where the stone glows rather than reflects.
PE Pendant Lights	11 products	PE and iron pendants including woven fabric and cloud forms, mostly on integrated LED, for large soft shapes at low weight.
Silk Pendant Lights	24 products	Iron frames with silk shades in sculptural forms, on LED, E27 and E26 sources, for rooms that need softness rather than sparkle.
Stainless Steel Pendant Lights	1 products	Natural marble on chromed stainless steel, on LED at 3000K, for interiors where the metal has to stay bright.
Wood Pendant Lights	5 products	Wood and metal pendants on E27 bases, including rattan and wicker shades, in modern simple, classic and Nordic styles.
