ZY-G009

About this range

Track lighting is the only decorative-adjacent system that can be re-aimed after the ceiling is closed, which is why it dominates retail and increasingly appears in open plan homes. Our published range here is small and specific: aluminium LED linear strip and magnetic foldable COB grille fittings at 85 to 265V.

Commercial terms

MOQ	Low MOQ. One piece is available for sample checking, and trial orders are welcome.
Lead time	45 to 60 days for a new order, 30 to 45 days for a repeat order, 7 to 10 days for a sample order.
Customisation	OEM and ODM customisation is available to your own drawings, finishes and sizes.
Quality control	We run our own quality control department with a professional QC team on the production floor, and a dedicated QC inspects your order and sends you a photo inspection report before shipment.
Packing	Our packaging has passed the e-commerce drop test, which is what makes single-carton parcel shipping survivable.
Payment	T/T, L/C at sight, Ali Trade Assurance, PayPal, Western Union and MoneyGram. Other terms can be negotiated.
Warranty	Six years. Inside the warranty period we offer three remedies depending on the situation: supplementary accessories, return and exchange, or refund.

Track Lights: all 2 products

Every figure below is the figure published on the matching product page at zhiyi-lighting.com. Where a value is not published we print a dash rather than an estimate.
