How To Order

Send the requirement

Model, length, connector type, quantity and destination. A photo or drawing sent on WhatsApp is enough to start.

Get a written answer within 12 hours

Availability, the specification we can hold and an indicative price.

Confirm the build

Packing details, MOQ, payment terms and lead time are agreed per order. Own-brand packaging is available.

Production and after-sales

Each order is tracked through production and shipping. Our service team is online 24 x 7 afterwards.
